

## Creating Parent Connections

1. What parent programs do you currently have in place on your campus?
2. Who is currently responsible for handling parent program on your campus?
3. What are your primary methods for communicating with parents?
4. What are some barriers to parent outreach on your campus?
5. Brainstorm some ways that you can impact parent outreach on your campus. Who are the key players on the campus? Who can help from the community?
